

Job description

The rector of Saint Luke's Ministries is called by God to be the principal leader, administrator, and shepherd of our congregation. Our rector, empowered and directed by God's Holy Spirit, will do justly, love mercy and walk humbly before God, modeling a life of holiness, faith, and prayer.

Our rector will preach and teach the Word of God, administer the sacraments, hold us in prayer, oversee worship and praise, provide pastoral care for both the strong and the weak, and reflecting the passion of God's love seek those who have strayed as well as the unchurched around us.

Our rector will oversee the use of the gifts the Holy Spirit has bestowed on his people at Saint Luke's, equipping us to use those gifts in love, for the wellbeing of the whole body and as a witness to our Lord Jesus and the presence of God's kingdom.

Our rector will participate in the affairs of the Diocese of the Great Lakes, serving as Dean of the Pro Cathedral. He/she will work with our local sister congregations, as well as with other local ecumenical church activities, as appropriate and lead by God's Spirit.

To assist our rector in this work Saint Luke's provides an office staff of three as well as the assistance of several Deacons and a youth pastor.
